

**Jointly develop up to 2.4 GW of offshore wind projects in the UK**

Partnering with Repsol, 1<sup>st</sup> class company in the Energy Sector  
with a strong commitment to wind offshore capacity development

Increasing projects' pipeline in the offshore wind technology by 0.3 GW,  
diversifying into different locations

Upon getting key consents, construction and operation could begin  
between 2015 and 2020

**Increasing EDPR's long term profitable growth options**

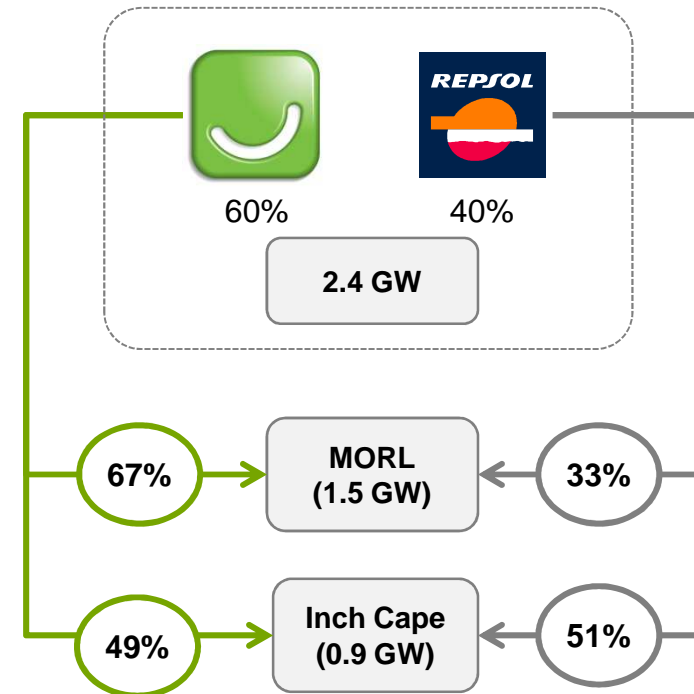

# EDPR leading the development of up to 2.4 GW of wind offshore projects with a 60% stake...

## Former Offshore Partnership Structure

## Partnership structure after SERL acquisition by Repsol and subsequent restructuring

...increasing its offshore pipeline by 0.3 GW

# EDPR to consolidate offshore position in Scotland with 1<sup>st</sup> class energy partner and with geographical synergies

## EDPR's Offshore footprint in Scotland

### Moray Firth

- Zone 1 of the Round 3 offshore wind farm leasing programme conducted by The Crown Estate
- Sites to be developed in “transitional waters” (30-60m of depth) at 25 km shore distance

### Inch Cape

- Firth of Tay region pursuant to an Agreement for Lease with The Crown Estate under the Scottish Territorial Waters leasing programme
- Sites to be developed in “transitional waters” (30-60m of depth) at 15-22 km shore distance

# Disclaimer

This presentation has been prepared by EDP Renováveis, S.A. (the "Company") solely for use at the presentation to be made on 6 June, 2011. By attending the meeting where this presentation is made, or by reading the presentation slides, you acknowledge and agree to be bound by the following limitations and restrictions. Therefore, this presentation may not be distributed to the press or any other person, and may not be reproduced in any form, in whole or in part for any other purpose without the express consent in writing of the Company.

The information contained in this presentation has not been independently verified by any of the Company's advisors. No representation, warranty or undertaking, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or the opinions contained herein. Neither the Company nor any of its affiliates, advisors or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation.

This presentation does not constitute or form part of and should not be construed as, an offer to sell or issue or the solicitation of an offer to buy or acquire securities of the Company or any of its subsidiaries in any jurisdiction or an inducement to enter into investment activity in any jurisdiction. Neither this presentation nor any part thereof, nor the fact of its distribution, shall form the basis of, or be relied on in connection with, any contract or commitment or investment decision whatsoever. Any decision to purchase any securities in any offering should be made solely on the basis of the information to be contained in the relevant prospectus or final offering memorandum to be published in due course in relation to any such offering.

Neither this presentation nor any copy of it, nor the information contained herein, in whole or in part, may be taken or transmitted into, or distributed, directly or indirectly to the United States. Any failure to comply with this restriction may constitute a violation of U.S. securities laws. This presentation does not constitute and should not be construed as an offer to sell or the solicitation of an offer to buy securities in the United States. No securities of the Company have been registered under U.S. securities laws, and unless so registered may not be offered or sold except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of U.S. securities laws and applicable state securities laws.

Matters discussed in this presentation may constitute forward-looking statements. Forward-looking statements are statements other than in respect of historical facts. The words "believe," "expect," "anticipate," "intends," "estimate," "will," "may," "continue," "should" and similar expressions usually identify forward-looking statements. Forward-looking statements include statements regarding: objectives, goals, strategies, outlook and growth prospects; future plans, events or performance and potential for future growth; liquidity, capital resources and capital expenditures; economic outlook and industry trends; developments of the Company's markets; the impact of regulatory initiatives; and the strength of the Company's competitors. The forward-looking statements in this presentation are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, management's examination of historical operating trends, data contained in the Company's records and other data available from third parties. Although the Company believes that these assumptions were reasonable when made, these assumptions are inherently subject to significant known and unknown risks, uncertainties, contingencies and other important factors which are difficult or impossible to predict and are beyond its control. Such risks, uncertainties, contingencies and other important factors could cause the actual results, performance or achievements of the Company or industry results to differ materially from those results expressed or implied in this presentation by such forward-looking statements.

The information, opinions and forward-looking statements contained in this presentation speak only as at the date of this presentation, and are subject to change without notice unless required by applicable law. The Company and its respective agents, employees or advisors do not intend to, and expressly disclaim any duty, undertaking or obligation to, make or disseminate any supplement, amendment, update or revision to any of the information, opinions or forward-looking statements contained in this presentation to reflect any change in events, conditions or circumstances.
