Madrid, May 2nd 2023: Following: (i) the announcement on February 27, 2023 from EDP Renováveis, S.A. ("EDPR" or the "Company") that the Board of Directors proposed to replace the ordinary dividend corresponding to the year 2022 with a flexible remuneration programme for shareholders ("Scrip Dividend Programme"), and (ii) the approval of such a proposal by the annual general shareholders meeting on April 4, 2023, the Board of Directors of EDPR has resolved today to approve a share capital increase through the incorporation of reserves of up to €67,435,100, for the purposes of executing the Scrip Dividend Programme.

The Board of Directors of EDPR has also, on this date, approved a document containing information on the Scrip Dividend Programme, notably on the number and nature of the shares and the reasons for and details of the attribution of incorporation rights, pursuant to the provision of article 1(5)(g) of Regulation (EU) 2017/1129 of the European Parliament and of the Council of 14 June 2017 ("Informative Document"). Shareholders who have acquired their shares up to May 8, 2023, and who appear as shareholders in Interbolsa records at 23:59 hours GMT on May 10, 2023 (record date), will be entitled to participate in the Scrip Dividend Programme. The Company's shares are traded without right to take part in the Scrip Dividend Programme as from May 9, 2023.
